Opportunities for salaried family physicians!

Join our dynamic, interdisciplinary team at Rideau Community Health Services (RCHS) based in the scenic villages of Smiths Falls and Merrickville so you can enjoy the rural lifestyle with easy access to Ottawa – Canada’s Capital!

We excel at serving patients who often face multiple barriers and co-morbidities. We actively address the social determinants of health. And we use a health-promotion approach to serve the whole person.

At RCHS, we’ve created a practice model for you to professionally and personally **thrive**.

As a family physician in RCHS’s primary care practice, you’ll have:

TIME: A competitive salary (\$291, 225 annually), HOOPP Pension, and extensive benefits which means you’ll have more time to contribute meaningful care to patients.

TEAM: The support of allied health professionals, including social workers and dietitians, and experienced administrators to cover the paperwork so you can focus on excellent patient care.

TALENT: The space to turn your innovative, evidence based ideas into shared best practice.

About Rideau Community Health Services

We are a non-profit, community-governed community health centre that provides comprehensive primary care, health promotion and community development services. RCHS works with partners to provide integrated health and wellness services for various communities throughout Leeds, Grenville and Lanark counties. A wide range of health promotion and disease prevention programs are available to our communities such as: diabetes education, telemedicine, chiropody/foot care, dietetic consultation, oral health care, lung health, smoking cessation, mental health and wellbeing and exercise programs.
